

Date:

Sub :- A.M.C for Pest Control

We are invited here the quotation for the work of pest control of our 5513 Sq.ft. Office. The said quotation for the work of pest control is followed as per following terms and conditions.

1. The two types of pest control are required as General Disinfestations and Rodent Control for one year on contract basic.
2. The chemicals being used for pest control services are not hazardous to human life.
3. Take care of office while pest control is carried out.
4. Only use those chemicals which have been recommended by the bureau of Indian standard under IS Code latest Edition and have been approved by the insecticides Board, Government of India.
5. Pest control treatment is effected only for Cockroaches, Lizards, Bugs, Red-ants, Black Ants etc.
6. Rodent pest control means Rats and mice make themselves comfortable in human surround, finding food and shelter in our office. They breed rapidly and contaminate food, damage clothes and other material. Therefore they spread Diseases such as plague, leptospirosis, and rat bite fever. These method of treatment should be done by way of mixing the poison (Zinc Phosphate) in the food and the rat consumes the said baiting without suspecting the presence of poison in it and thus the population of rat is controlled.

Administrative Officer

[Fill up by Bidder on their own letter head]
